WORK EXPERIENCE

10/2022 – CURRENT Oslo, Norway

.NET DEVELOPER CONVENE AS

I work with Convene's payment and administration solution. The solution is an integrated, automated and self-service payment and invoice system that helps customers free up resources related to administration.

Developing the solution in .NET Core and C#, Blazor, MSSQL and Azure cloud service, in an event-driven architecture. Main tasks include debugging and maintenance of existing software, in addition to the development of new functionality.

Stack: .Net, C#, Blazor, Asp.Net, .Net Core, MSSQL, Azure Devops, HTML, Bootstrap, Git, Github

09/2021 – 10/2022 Oslo, Norway
